

**Annual Report to the Canadian Council of Land Surveyors
from the
Association of Prince Edward Island Land Surveyors
2009 CCLS AGM (May 25-26, Calgary, Alberta)**

In June, 2008 the Association held its 40th AGM. This was a members-only AGM. Due to the small size of the Association and lack of revenue, we hold a members-only AGM every other year. We invite all land surveyors to our 41st AGM to be held at the Brackley Beach North Winds Inns & Suites, June 18 & 19, 2009, in beautiful PEI.

The executive of the APEILS is:
Albert Wright, PEILS, **President**
Colin Atkinson, PEILS, **Vice-President**
Wayne Tremblay, PEILS, **Secretary-Treasurer**
James C. Banks, PEILS, **Past-President**

The Association has 14 practicing members, of which four are employed outside of the province.

There have been no new applicants this year to the Board of Examiners.

The Copyright Proposal Committee obtained a legal opinion that our private practice members hold copyright to their legal survey plans. The Committee has been dissolved and the private practice members will form a similar group to continue this work.

A presentation regarding developing a safety program was made to the members in February as part of the voluntary CPD program. It was well attended and the group looks forward expanding on the presentation in the fall of 2009. We will continue with our CPD program at our June 2009 AGM.

The Complaints and Discipline Committee dealt with one complaint which was dismissed after reviewing the case.

A vote was held and passed to join CBEPS.

Respectfully submitted,
Colin Atkinson, CLS, P.Eng., BCLS, PEILS
CCLS Director for P.E.I.
